

Come shake your maracas and have fun while enhancing your child's cognitive, musical, and social growth and raising a bilingual baby!

Spanish stories, music, movement, and play come together in an engaging program designed to expose your child to Spanish or reinforce your child's Spanish acquisition at a critical developmental period.

You don't need to know Spanish to enroll. Every family receives a CD and songbook that includes English and Spanish lyrics to songs.

Our teachers are native Spanish speakers that lead 45-minute classes that include singing, dancing, and instrument play. All caregivers are welcome to attend!
